## About Us

**initor TECHNOLOGIES** is one of the leading technology distributing and Home Design Solution firm in Bangladesh. Since the inception of the journey in **2000**, **initor TECHNOLOGIES** is driving to gather immense reputation in distribution of **IT product & services** through the nationwide business firms and **2010** also added **Home Design Solution** with IT solution. **initor TECHNOLOGIES** always treats the customers as business partner & tries to satisfy them by providing the World best products as well as ensure the profitability & productivity of their investment.

Through cooperation with major continuous research of the local market has been established within a short period of time among the largest firm of the field of **IT and Home Design**. We achieved Excellence in Distribution, focusing on the highest level of customer satisfaction and long lasting cooperation with reliable companies. The company distributes among others: **PCs, computer peripherals, servers, notebooks, multimedia, networking products, software, multimedia products, Home Design Solution etc.** We consider the regional coverage of the customer needs among its highest priorities.

Further to the firm's policy to strengthen its growth and constantly streamline its business model, **initor TECHNOLOGIES** insists on the development of the state-of-the art cooperation through the selective product portfolio, flexible management and dynamic sales network.
